Speaker of the Student Senate

Further Approved by: Justin Bustos
Student Body President

Ennis Joslin and Nile Intersection Resolution
"A resolution urging the city council to take action to improve the intersection of Nile and Ennis Joslin"

WHEREAS(1):
Currently, at the intersection of Nile and Ennis Joslin, there is a single lane to turn left onto Ennis Joslin from Nile to go to campus.

WHEREAS(2):
This leads to traffic on Nile moving extremely slowly and leads to drivers blocking the intersections on Nile as well as students being late to class.

WHEREAS(3):
Because most of the traffic on Nile is headed to Texas A&M University- Corpus Christi, it would be beneficial if there were a second optional turn lane, rather than the middle lane only being for access to the Suter Wildlife Refuge.
Therefore
Let it be
Resolved (1):

That the Student Government Association calls upon the Texas Highway Department and the Corpus Christi City Council to create a second turn lane at the intersection of Nile and Ennis Joslin.
